International German Language Summer Courses	Each year, the Ilmenau University of Technology offers <b>International Courses: Summer and Winter</b> in August and September and March, which are an excellent opportunity for incoming exchange students to improve their German and also their knowledge about Germany and its culture, or to take a qualification in German for technical purposes. It is also a good way of learning how things function in Germany. <a href="http://www.tu-ilmenau.de/en/summer-courses/">http://www.tu-ilmenau.de/en/summer-courses/</a>
