T.R. The Council of Higher Education (CoHE) has made a new arrangement in the grant payments for the 2015-2016 Academic Year of Exchange and decided
to support students for one (1) semester of exchange activity and to support instructors for at least two (2) weeks and at most three (3)
months. If they want,the students and the instructors can also stay more atSakaeya university without taking grant.
Each applicant, the students and instructors who want to come to Sakarya University within Mevlana Exchange Program, are required to completely fill applications documents.
Electronic copy of the complete forms (PDF, JPG, Google Docs, etc.) together with a list should be sent to the address of mevlana@sakarya.edu.tr on 27th April 2015 (Monday). The forms which will arrive after this date will not take into the consideration.
NOTE: Associate Degree and Bachelor' Degree students must have at least 2,50 GPA according to quatrain grading system, Master degree and Doctorate students must have at least 3,00 GPA according to quatrain grading system.In which language the courses in Sakarya University are taught can be viewed by selecting department at this link :
