

The KGSP is a Korean government supported scholarship program to provide international students with an opportunity to conduct advanced studies of undergraduate and postgraduate at the Korean universities and it aims to promote international exchange in education for mutual friendship of the countries. Ajou University is one of the KGSP scholarship offering university designated by the Korean Government, and we would like to receive qualified candidates from your university. Undergraduate KGSP scholarship benefit will include 100% tuition waiver, airfare, living and settlement allowances for the selected students. Please review the attached 2013 undergraduate KGSP guidelines, Ajou University information and admission guidelines, and distribute the information to your university students. Any interested student can contact the Korean embassies in your countries.
