

Italian NGO Rondine offered to Serb music students, between 18 and 28, who are interested in attending a Master course, a scholarship lasting 1 year (from July 1st 2013 to July 1st 2014) in Italy at the School of Music in Fiesole, as part of the experience of the International Student Hall Rondine Cittadella della Pace (Tuscany). The musicians need to be graduated from their national academies and need to be able to play one of these three stringed instruments: violin, viola, cello.

The costs (school, food and accommodation) are fully covered by the Scholarship. The deadline to apply will expire next 5th May 2013. Then, a delegation of Rondine will be in your Country in mid-May to interview the candidates. We would like to set up a meeting with you once there, to explore possible further ways of cooperation.
