

We are pleased to announce the organisation of a Master Class within the framework of the OPEN DAYS University, as part of a constant effort to improve the programme of the OPEN DAYS

European Week of Regions and Cities (7-10 October 2013).

This is a fantastic opportunity for postgraduate students and early career researchers to meet Mr Johannes Hahn, European Commissioner for Regional Policy and to engage in discussions with senior representatives of the European Commission's Directorate-General for Regional and Urban Policy (DG REGIO) and of the Committee of the Regions.

The call for applications is open to EU and non-EU candidates, until 15th of April 2013. Travel expenses and accommodation for up to 2 nights will be covered by the organiser.
