

DIAnet International School on the sustainable future of the Danube

region - **call open until dec 6th.**

The University of Trieste will organise the second DIAnet International School dedicated to the subject "The role of natural heritage for the sustainable future of the Danube Region".

The call is open until

December 6th, 2013 for PhD Students and Post-doc Research Fellows (max 40 years old) of universities which are members of the Alps-Adriatic Rectors' Conference or the Danube Rectors' Conference. In particular students and fellows with experience and interest in interdisciplinary studies in the context of sustainable development are invited to participate. Further information about the call, the application documents and invited universities can be found at:
