

In the framework of the EU project “DIAnet - Danubian Initiative and Alps Adriatic Network”, AREA Science Park organizes two new Seminars on “Eu Policies for transnational mobility” at AREA Science Park - Trieste (Italy) on April 1st and 2nd, 2014.

The focus of the Seminars will be: Erasmus+, formalities, new models and good practices for the management of transnational mobility.

April 1, 2014 EU Policies for transnational mobility and research

April 2, 2014 International students' and researchers' entry in the EU and in Italy in particular: incoming issues and relevant regulations

The Seminars are free and they will be held in English.

It is possible to register to both seminars.

Registration: <http://iscrizione.questionform.com/public/Dianet>
