The project DIANET - Danube and Alps Adriatic Initiative Network - AREA organizes a new turn of Thematic Seminars free of charge, dedicated to the theme “EU Policies for Transnational Mobility”

April 1st, 2014 EU Policies for transnational mobility and research
April 2nd, 2014 International students’ and researchers’ entry in the EU and in Italy in particular: incoming issues and relevant regulations
The event will see the participation of Italian and international speakers, including Dr. Foroni (MIUR), representative of the Italian Bologna Experts, as well as, on April 2, Min. Alberto Colella of the Visa Application Centre of the Ministry of Foreign Affairs, Rome.
The seminars will provide an opportunity to learn about the new regulations for the management of the mobility of researchers and students, the new Erasmus +, the pan-European pension fund and the problems of taxation for mobile workers. The planned networking activities between the speakers and the participants will be an opportunity to discuss the issues presented.
The seminars are free and they will be held in English.
