

This is announcement for Leadership Academy for Young Women which will take place by Ohrid lake from 16th to 25th of July this summer. The Academy is open for every young women from 18-30!!!

The slogan of the Academy is: Change yourself to change your future!

The deadline for applying is 01st of May.

It is 10 days unique experience that will provide to its participants ready-to-use set of skills on how to become leader that contributes to the improvement of lives of women and girls within their communities.

During the Academy women can learn and gain new experience on leadership through case study, discussion, role play, self-assessment, peer work, presentation, and team work. Every woman will have the opportunity to gain new insights about herself, her vision and strengths by assessment and individual coaching sessions.

It is practical holistic training to empower the girls in four fields (heart, mind, body and soul).

It is the very core of Soroptimist International – transferring knowledge from experienced women to young women who are just starting their independent life.

Giving opportunity to women coming from different social, economic and cultural status to meet, make friendships, learn and create projects for benefit of the community together.

The Academy - Soroptimist Leadership Academy is a Twinning Project, organized for the first time by Single Club Struga-Macedonia and Turkish Union .
